#### SCORING

Remember, the purpose of this tool is to help you explore and assess how you embody the three virtues of an Ideal team player. The standards for "Ideal" are high. An Ideal team player will have few of these statements answered with anything lower than a '3' (usually) response.

A total score of 18 or 17 (in any virtue) is an indication that the virtue is a potential strength.

A total score of 16 to 14 (in any virtue) is an indication that you most likely have some work to do around that virtue to become an Ideal team player.

A total score of 13 or lower (in any virtue) is an indication that you need improvement around that virtue to become an Ideal team player.

Finally, keep in mind that while this tool is quantitative, the real value will be found in the qualitative, developmental conversations among team-members and their managers. Don't focus on the numbers, but rather the concepts and the individual statements where you may have scored low.
